Sir:

Applicant respectfully submits a revised copy of a "Response to an Office Action," as previously submitted on March 15, 2007 as Attachment A. A transcriptional error was made in the document filed on March 15, 2007 by inadvertently inserting an incorrect serial number, 11/531,161 -- the correct serial number is 10/531,161. Also enclosed as Attachment B is a copy of the confirmation receipt from the USPTO,

Express Mail receipt and the original Amendment and Response to the Office Action, which was filed with the incorrect application number.

Since Attachment B was filed within three months of the Office Action filing date, no fee is required.

However, the Director is hereby authorized to charge any additional fees which may have been overlooked to Deposit Account No. 502375.

If the Examiner finds any remaining impediment to the prompt allowance of this application, please contact the undersigned attorney.

DATED this 30TH day of MAY 2007.

Respectfully submitted,

A handwritten signature in black ink, reading "Kevin B. Laurence". The signature is written in a cursive style with a large, stylized "K" and "L".
